Happy Birthday: Summer Herring, Ashley Wheeler

From the Pastor's Desk

I pray each of you have been working on memorizing our memory verse for the month of August. This is a part of our dedication and commitment to God as well as our desire to stamp out the spiritual famine that has become so widespread in this world that we live in today.

Last week I gave you 5 tips to help with memorization. Today I will finish up this list with a few more tips to help each of us in this scripture memorization.

- 1) Get a memory partner:** Everything is easier when someone is doing it with you. Get a memory partner to help test you and work with you to memorize your verse.
- 2) Use flashcards:** As a child, we would use flashcards to memorize our multiplication tables and spelling words. We do not need to reinvent the wheel; we just need to use what is already there.
- 3) Use a Bible Memory App:** If you have a smartphone, you can download a Bible memory app, this way we can use our phone for something good!!
- 4) Make it into a tune and sing it:** Most people can remember songs when they cannot remember other stuff. If that is you, then make it into a song and sing it to memorize it.
- 5) Repeat, repeat, repeat, and repeat it again:** whatever strategy that you find works best for you, keep it up, do it over and over, and keep up the good work. If you memorize the ones we are doing as a congregation, don't stop there, pick your own verse and continue memorizing. We can never know too much of God's word.

May god bless you and keep you until we meet again!!!!

I love you all, Pastor Steven and Lesia
