Personal Perspective: We can take the scripture today and we can apply every word of it to our lives, our situations that we have going on today as we also are living in a crooked and perverse generation, and I think with every generation it gets a little more perverse, a little more crooked, a little farther away from God. Knowing that and knowing what the scripture says today you and me as a Christian have a lot to consider. Are we working out of us, what Christ has put in us, in other words are we working out our own salvation wite fear and trembling, are we letting the light of Jesus Christ burn bright in our life for the whole world to see, holding firmly to the word of God, are you pressing on in the faith, abounding more and more in love, standin firm in one spirit and one mind, the main question that needs to be asked is this and it will answer all of this: are you in Christ and is Christ in you? Christian, how do you answer this question this morning? Scripture references: Philippians 2:12-18, John 17:4, John 19:28, John 19:30, Galatians 5:19-25, Galatians 5:16
