## "Meditate On These Things"

## Philippians 4:8-9

in th	these two verses who is Paul speaking to according to Philippians 4:8?	
Paul	ul gives us 8 different attitudes that each of us as believers should have:	
1) \	Whatever things are	
2) ۱	Whatever things are	
3) \	Whatever things are	
4) ۱	Whatever things are	
5) \	Whatever things are	
6) ۱	Whatever things are	
7) I	If there is any and if there is anything	meditate on these things
In Ps	Psalm 119:9 the Psalmist asked the question, "How can a young man cleanse his v	vay?" The Psalmist answere
that	at question with several different things, and it is probably the greatest way to und	derstand what we must do to
achie	hieve these 8 attitudes that Paul presents to us as believers. What answer did the	Psalmist give to that
ques	uestion he asked?	
1) E	By taking according to Your	
	With my whole heart I have You.	
3) l	Let me not wander from Your	
4) ۱	Your I have hidden in my, that I might not sin	against You.
	e Psalmist reassures us in Psalm 119:15-16 that if we meditate on God's word, if v	
we d	e delight in God's statutes that we will forget His word.	
Last	st week and this week we can tell that Paul was concerned with the Philippians ha	ving the peace that
surp	rpasses all understanding in their lives. That peace only comes from God. In verse	9 Paul again tells the
	illippians and us as well, "The things which you learned and received and heard ar	_
	d the God of will be with"
