- Personal Reflection: What does your love look like for others, do you have love for those who curse you, or do you only love those that love you, do you have love for the ones that curse you, threaten you, and spitefully use you? If you cannot say yes to this question, I encourage you to strive to love those who hate and spitefully use you so you will be able to go as far as God allows. We do this through spending time in the Word of God.
