- ***Personal reflection: What we have seen here today is a portrait of who Christ is, He is poor in spirit, He mourned for the sin of this world, He was meek, He hungered and thirsted for righteousness, He was merciful, He was pure in heart, He was a peacemaker, He was persecuted for righteousness sake, if you and I will take the Beatitudes and really study and meditate on them we will see a portrait of what we should desire to be, we will see Christ and what we should be becoming daily as we are being sanctified by our Lord and Savior Jesus Christ. Every day we should be looking more like Christ than yesterday, is that true for you and me. Are we becoming more like the Savior daily? Does this make you think, does this make you want to look more like Jesus? Let's talk about how we can follow the teaching of Christ and grow daily in Him, by Him, and through Him. Let's get lunch and talk. Pastor Steven 910-891-7402***
